EXPERIENCE

AMIGOS de las Américas, Panamá — *Project Supervisor*

June 2025 - August 2025

I will be a facilitating volunteer and homestay program for young adults. I will be planning activities, providing mentorship and support, as well as assisting with program logistics. This position requires a significant amount of bilingual communication with local community residents.

Young Lab, UCSB EEMB Department — *Research Assistant*

January 2024 - present

I am working with a PhD student researching the effects of human presence and climate change on mosquito abundance and behavior in the Eastern Sierra Nevada.

Department of Public Worms, UCSB — *Worm Wrangler*

January 2024 - present

I help grow produce at the student farm and collect food scraps from campus facilities, working to create a closed-loop food system in the UCSB community

Adventure Programs, UCSB — *Trip/Class Leader, Shift Lead*

September 2021-March 2022(leadership training), April 2022-present (staff)

I lead outdoor trips such as backpacking and canoeing, including meal and travel planning, and managing group dynamics. I also work renting out ocean sport equipment.

Storke Ranch Vernal Pools, Goleta — *Restoration Intern*

June 2023 - August 2023

I assisted in the restoration of local vernal pools, I conducted vegetation surveys and monitoring, and learned to identify native and invasive plants.

EDUCATION

Pontificia Universidad Católica de Chile

September 2023 - December 2023 | GPA: 4.0

I participated in a study abroad program in southern Chile focusing on socio-ecological sustainability.

UC Santa Barbara

September 2021 - current | GPA: 3.80 - Honors

I am pursuing a degree in Environmental Studies, B.S.
